HOW THE JEWS HAVE MADE "SPOILED BRATS" OUT OF INDEPENDENT AMERICANS

For many years I struggled to understand what was - and is - wrong with the character of most of our people.

That there was something wrong - basically, fundamentally wrong, I was sure. Everywhere and all the time I observed my people "going to pot", losing their ancient culture of the west, acting like a frenzied, idiotic MOB, "debunking" their real leaders, and following the grossest and most obvious charlatons - men like Franklin Delano Roosevelt.

One day, of course, I discovered the work of the Jew - in the movies, on TV, in books, magazines and newspapers - in the theater - and everywhere else these diabolical schemers could "get at" the helpless, un-subtle mind of the Goyim, who is still too conceited to listen to any suggestion that he is an intellectual SUCKER for clever Jews.

This explained the "why" of the mental, moral and political work of subversion going on so rapidly among our people. It was and is the JEWISH METHOD OF WARFARE, and is intended to - and is - destroying the white western Christian civilization built up by the white Aryan over countless centuries.

Where the Nordic, particularly, thinks of warfare in terms of destroying his enemy with sword, fire, guns, knives and finally bombs - (physical force) - the sly and subtle Jew thinks in terms of destroying his enemy's RACE AND CHARACTER.

"Turn the Viking, who can strike me down with his naked sword, into a drunken, pleasure-crazy, selfish (and therefore disunited) and politically ignorant 'beatnik' - and I can rule and enslave millions of these blonde beasts who don't THINK" - says the scheming Jew to himself.

And, at the moment, we must sadly admit the Jew is succeeding fabulously.

When our "Viking" in the White House consorts with a mongrel creature like Sammy Davis - the Kosher Coon - as an "equal", - when the Jews are spreading "Tropic of Cancer" among our women and children as "literature", - when the Jew liquor merchants are debauching more millions every year into chronic alcoholics and even peddling "pot" and "H" to teen-agers, - and when these Jews have "sold" millions of our "students" and "intellectuals" on the nightmare insanity of Marxism as a serious political idea, - we are forced to admit that the noble Viking is disgracing himself at the feet of a gang of rotten Jew-creeps and their money-mad Goy accomplices.

All of this explained to me the "WHY" of what I saw all about me - but HOW was it done? What was the METHOD? A Jew can not walk up to a tribe of proud and happy Vikings (figuratively speaking, now) and simply start peddling his pornography, fire-water, narcotics, lies and hate - without being either laughed out of countenance or driven out as a criminal.

There had to be a "HOW" - a METHOD and a SYSTEM to the enormous work of social and personal disintegration of the Jew.

HOW had the Jew not only succeeded in poisoning the minds and hearts of most of the non-Jews - but even succeeded in getting his victims to LOVE him and hate any would-be rescuers?

While preaching and practicing the world's most virulent and deadly hate of the White Race and the western civilization which is the product of that race alone, how had the Jew succeeded in getting his dying victims to love the poison as "progress" and "brotherhood" - while the miserable victims persecute and HATE those who try to show them the TRUTH and rescue them from racial and social catastrophe?

I found the answer in one of the simplest human relationships in the world.

When he was a kid, almost everybody has had a grandmother or grandfather, an aunt - or maybe even a parent, who "spoiled" him.

When those who really loved him and were trying to teach him self-discipline and healthy habits, the grandmother or other "spoiler", (usually with the sweetest motives in the world) sneaked him forbidden pleasures and/or freedoms.

"SURE, you can have all the candy you want, Dear, - Granny wants you to be happy!" (implying that Dad and Mom are mean, nasty tyrants).

"You don't have to stop playing and come in when it's dark! - Go ahead - Granny won't tell!"

"Oh bosh, - go ahead to the party! Your father sowed HIS wild oats, too. I guess he's forgotten! - You're only young once!"

- These are the time-worn phrases of the indulgent grandmother who has no trouble disrupting and destroying the character-building program of parents - BECAUSE SHE PREACHES SELF-INDULGENCE!

AND THAT IS THE KEY TO THE MYSTERY OF HOW TO DESTROY A MAN AND GET HIM TO LOVE HIS DESTROYERS AND HATE THOSE WHO HAVE HIS REAL WELFARE AT HEART!

The Jews found a stern and self-disciplined people in the white Aryan races - particularly the Nordics.

Sure they drank and fornicated and many of them became disgraces to the society.

But that is the point.

Those who did NOT show self-discipline and character WERE considered "disgraced".

Drunks, unsuccessful husbands and wives who got divorced, - unruly and vicious children, dirty-minded men and women, cowards in battle, etc. - all these "failures" were DEPLORED by our society and race for thousands of years.

Then along came the Jews with their "old Granny" type of "love" - codified first by the Jew, Karl Marx, - as "communism".

This vile new doctrine preached that it was not only not "bad" to be an unsuccessful mother, father, wife or husband - but that MOTHERS AND FATHERS, HUSBANDS AND WIVES AND MARRIAGE AND THE FAMILY ITSELF WERE WRONG!

The family relationship must not interfere with the "happiness" of the individual! The parent must not "inhibit" the child! To hell with society! The INDIVIDUAL must have "freedom" and "liberty" to "express himself" and to the devil with discipline, rules, regulations, old fashioned "readin' 'riten' and 'rithmetic"!

It remained for the Jewish concept of "freedom" and "progress" to make drunkeness into "alcoholism", unfaithful wives and lousey mothers into exponents of "women's rights", laziness and greed into "worker's rights", illiterate students into devotees of "progressive education", filthy dope-addicts and bums into "beatnik philosophers", Bolsheviks in the pulpits as "modern preachers", blasphemous smearers of ugliness as "modern artists", the swine who used to scratch vile verses and diagrams on toilet-booth walls into "poets" and "writers of literature", the madmen who beat on the walls and tin-pans in the insane asylums into "composers", jungle cannibal dancers into models for our teen-agers, craven, rotten cowards into "realists" and even "heroes", the disgusting "queer" men who fondle each other and put each other into high positions in our Government and State Department into "nice guys" and "diplomats", and worst of all, bought-and-paid-for political imbeciles and compromisers, - as "statesmen"!

Before our society became judaized, what existed as a blot and a disgrace was deplored and fought. It was impossible, of course, to eliminate greed, cowardice, nastiness, stupidity, hate, drunkeness and selfishness from society. But most of our great grandfathers, even tho they sometimes exhibited these faults themselves, were ASHAMED of it, and did what they could to prevent the general spread of vice in society.

It remained for "modern" Jew-dominated society, to ENSHRINE these vices as VIRTUES!

And we thus return to the question of "HOW DID THIS HAPPEN TO US? HOW CAN THEY KEEP DOING IT?"

The answer, again, is the age-old business of "spoiling", - preaching SELF-INDULGENCE and SUPER-INDIVIDUALISM.

What spoils kids on a small scale, turns grown men and women into unhappy, frustrated

lost "monsters" who react to any attempt to discipline or help them by throwing tantrums.

In ANY field you examine, the Jews have steadily pushed the idea of OVERTHROWING ALL AUTHORITY, DISCIPLINE and ORDER.

The Jew, Picasso, has led the "artistic" rebellion against "beauty" - (which demands order, control) - until "painting" today is a competition in the most wanton and libertine ugliness. The Jewess Gertrude Stein (A Rose is a Rose is a Rose) has led the "poets" in a TOTAL rebellion against not only order, but even reason and sense, until utter semantic madness passes today for "poetry". In music, a whole flock of Jews from Bartok to Stravinsky - have actually gotten millions of supposedly intelligent men and women to sit for hours in a concert hall "admiring" grinding, ear-bursting noise which would rightfully be stopped as an unbearable excess even in an insane asylum.

Jewish publishers and book peddlers have filled the racks in every drug store with "literature" so filthy and degraded our great grandfathers would have horse-whipped the culture-vultures responsible for such utterly disgusting pornography (in which beautiful blonde girls "kiss" huge negroes in the most perverted way and parts, for instance - I have some samples to prove this.) Jewish psychiatrists have made it "forgivable" for men to want to crawl in bed with other men to make "love" - not to mention "queer" women - and all of this is glorified in detail in pocket books available to kids in most drug stores! Think of it!

Vicious young criminals, murderers and rapists are "explained" by Jewish psychiatrists by their lack of a "chance" - although the many slum kids who grow up decently get no credit whatsoever.

And ALL of these disgusting symptoms of our dying race and culture can be traced back to ONE THING - THE SELF-INDULGENCE OF THE INDIVIDUAL AND THE REBELLION AGAINST AUTHORITY, DISCIPLINE - AND THEREFORE AGAINST ORDER.

THIS is the basic weapon of the Jews in destroying our race and the western society which is the expression of that race!

Every single "mess" and "problem" in our dying society can be directly traced to the same thing which ruins a "spoiled" kid: - self-indulgence and therefore rebellion against "AUTHORITY".

National Socialism says that we cannot survive any more unbridled "individualism" at the expense of ORDER and social organization. Tyranny and complete suppression of the individual is bad.

But complete suppression of social order for the self-indulgence of the individual is equally bad.

This is what the "libertarians" and "conservatives" fail to understand. With our race and nation dying from the cancer of wild, uncontrolled and utterly selfish individualism - an individualism which has fragmented our "leaders" and people into ten million brutally selfish "interest groups" and "minorities", the "libertarians" and "conservatives" call for still MORE individualism.

What we need, right now, just like a mob of spoiled kids having a mass tantrum, is STRENGTH, LEADERSHIP and AUTHORITY, - the things which have been calculatingly withdrawn from our people by the Jews and their Marxist, liberal, "progressive" fellow-travellers.

We need AUTHORITY for our teachers in schools, AUTHORITY for our fathers and mothers, especially our fathers, AUTHORITY for our hobbled and hand-cuffed police departments, authority for the officers and non-coms of our military who have been hamstrung by "democracy" until they are nothing but "business executives".

Especially, we need AUTHORITY in our Government! Not dictatorship or tyranny, - but confident, manly, fearless and just AUTHORITY.

The inspired founding fathers of our United States PROVIDED for that authoritarian leadership, within definite bounds, by establishing our CONSTITUTIONAL REPUBLIC.

The Jews have EMASCULATED our leadership with their eternal prating of "democracy" and their scheming to put queers, Marxists and millionaire weaklings in our White House.

They have emasculated our people by teaching unbridled "individualism" (selfishness) until our people is no longer a homogenous group, but millions of selfish, short-sighted "interest-groups' and "minorities". Our Senators CAN'T be honest and for the welfare of the WHOLE people because they could never get elected that way, nor could they stay in office if they attempted to do what's RIGHT instead of what gets them elected by other selfish men and women thinking only of their own welfare and money.

We are now a nation of "spoiled brats",

largely thanks to the Jewish "grandmas" with lace caps and sharp-fangs, who have taught our people to INDULGE themselves with the utmost selfishness.

None of the political groups in America understands this - except the National Socialists. They are all, Marxists and conservatives alike, trying to work with millions of spoiled, selfish brats by offering them MORE lollypops, MORE "freedom" to run wild in the streets, and MORE "freedom" for the individual to INDULGE HIMSELF.

But there is a strange aspect to every spoiled kid: he is frustrated with his surfeit of "freedom". He unconsciously longs for firm, fatherly direction and help, even though he may fight and scream when it is applied. I have seven children, and they worshipped me, even though I exercised strict, strong consistant but loving discipline and forced them to be courteous and unquestionably obedient.

Our people, in a more subtle way, also long for some firm leadership and loving discipline - even though they think they hate the very word.

When they come to know the American Nazi Party (instead of the vile image of us on Jew TV, newspapers, etc.) they will instinctively sense our calm strength, our loving care for ALL the people, and our courage to apply consistant, intelligent discipline to society to bring ORDER and a REAL opportunity for the individual to "express himself" and to CREATE in a WHOLESOME atmosphere.

In spite of the torrents of lies now pouring into the empty heads of the Goyim by the millions, we are doing for ALL western white civilization what the immortal Adolf Hitler did for Germany: restore order, justice and felicity to a selfish, disunited, discouraged and frustrated people.

WHAT IS AN EXTREMIST?

Whenever somebody spits in my eye and punches me in the nose, I must sadly admit that I become an "EXTREMIST". I do not seem to be made of the stern stuff of our current national "leaders" who bow and scrape before butchers like Khruschev who arrogantly boast that they will "BURY US", and I would never be able to muster the strength to invite such scum to dinner in the White House.

In fact, as I survey human history, I realize that most of the men and women who made that history were weaklings so far below the stature of our current crop of "statesmen" that they actually went out and shot at people who tried to attack their Country, their people or their homes!

I realize that such nasty resort to violence is not de rigueur today. Things have changed.

If only we had had men like Kennedy and Schlesinger and Adlai and Sammy Davis to found our poor Country!

We would not have had to kill all those British red-coats at Bunker Hill. The "rat-pack" could have panicked them with some "sick" jokes, and whiled away the battle doing the "twist" until everybody collapsed in happy exhaustion.

John Paul Jones would not have had to sink the British, but could have hooked the ships together for a "co-existance" cruise, while Stephan Decatur could have avoided nasty violence with a few "summit conferences" between the U. S. and the Barbary Pirates.

In fact, we need never have had World War II, if only we had had a bit more of today's "statesmanship" at hand. I am sure Eleanor and Adolf Hitler could have worked out their differences in a few turns around the ballroom doing the "twist".

But it is no use my trying to rise to such heights of statesmanship. I am hopelessly old-fashioned. When I am punched in the nose, I can hardly wait to bash in the other guy's teeth. When a fat pig like Khruschev boasts that he is going to "bury me", I long to start digging a nice rounded little hole for the swine. When the Jews announce in all their press and the Daily Worker and the People's World that "battalions" of them are coming to "teach me a lesson" in Union Square, I am filled with a holy zeal to put an end to such terrorism by putting an end to the terrorists.

It is clear that I am the worst KIND of extremist. And since this must be, I pray that it is the will of Destiny that I may be as great an "extremist" on behalf of my Nation and my White Race as the armed rebels, Washington, Jefferson, Franklin, Adams and all the other extremists of their times.

More Misery for the Jews: First Anti-Jewish Novel now out!

Not only are the Jews "on the horrors" because of the growth of the American Nazi Party in spite of all they can do, and the thousands of clandestine Nazi youths in high-schools throughout the Country, but there is now a new development in the rising tide of "hate" (against the traitors and subverters).

Just as in the twenties and thirties the Communist atmosphere overflowed into the "arts", and particularly the novels of the time, which reeked of Marxism, -the rising Nazi tide all over the world has already produced the FIRST NAZI NOVEL by a well-known author.

Robert Lowry, who has written dozens of famous books and novels, including "What's Left of April", "Casualty", "The Wolf That Fed Us", "Find me in Fire", "Happy New Year", "The Big Cage" and many other top sellers, has written a smashing, hard-hitting novel exposing Jewish psychiatrists who use their science as part of the conspiracy to railroad those who get in their way to the booby hatch.

He pulls no punches, and the scene at the end where the fat Jew slides his "hot, thick tongue" into the mouth of the young wife he has stolen from the "hero" of the book, whom he has sent to the insane asylum, has an emotional impact impossible to describe.

"The Prince of Pride Starring", by Robert Lowry, is such a powerful emotional indictment of the psychiatric aspect of the Jewish conspiracy that, as might be imagined, Mr. Lowry has not been able to sell anything other than a few poems, since he published this sensational novel, using all his savings.

We highly recommend this book to our friends, both as art and as enlightenment. He has supplied us with original, autographed copies of this historic book, and we urge our friends to order several to be circulated among those who will read novels, but not the plain, unvarnished truth. This will "GET THEM!" It will also help the courageous Mr. Lowry, and, as you might imagine, he needs help.
